**Date:** 04/04/06

**Ref:** 216/MKT/E/70

**SUBJECT** **Best 2000 – New Service Manual**

A new SERVICE MANUAL for the BEST 2000 instrument is already available.

**Revised: April 2005**

This manual supersedes all previous editions.

The material included in this Service Manual will assist Service Engineers in the maintenance and repair of the BEST 2000 Automated ELISA System.

If you are interested to receive this Manual, please contact us by e-mail: [biokit@biokit.com](mailto:biokit@biokit.com).

Please, do not hesitate to contact us if you need further details.
